

WAY WAY FOREST DRIVE YARRIABINNI NATIONAL PARK PINES PICNIC AREA

This is one of Australia's unique forest drives where you meander under a canopy of old established Australian Native trees and experience nature and the bush at its best. Tree identification along the drive makes it a valuable learning experience for the whole family. The shortest round trip is 20kms and 1 hours drive but it's a great full day experience if you have the luxury of time to relax and enjoy it!

Leaving Grassy Head beach turn right into Grassy Head Road, then left at the 'T' intersection into Scotts Head Road. Continue until you come to Way Way Creek Road, turn left and follow Way Way Creek Road into the Yarriabinni National Park, down to the Pines Picnic Area. Yarriabinni is the Dughutti word for Koala rolling.

The Pines Picnic Area is a special place to relax and enjoy. It is set amongst tall Flooded Gums and Hoop Pines. You will find picnic tables, undercover gas BBQ's, shelters and toilets built from beautiful Australian hardwood species. Wood is provided for a traditional in-ground fire circle and a special art creation by local Aboriginal artists is displayed.

After your picnic and rainforest walk turn left into Jimmy's Ridge Road then into Grassy Head Forest Road and back to the beach. This road is a 4WD track but is passable by 2WD in dry weather if caution is taken at water crossings.

WAY WAY CREEK RAINFOREST WALK

This is an easy 500 metre Australian Rainforest walking experience. starting and finishing at the Pines Picnic Area. The walk features a large number of rainforest species in two and three vegetative layers as well as an array of Australian Fauna. Many of the species are identified along the walk. Heavy vines and epiphytes are common.

YARRAHAPINNI MOUNTAIN LOOKOUT

Continue on Way Way Creek Road for 3klm after the Pines Picnic Area and then left into Tower Road. A 4 klm detour up Tower Road leads to the lookout, towers and spectacular panoramic views. On a clear day you can enjoy views to South West Rocks, Hat Head, Crescent Head, Kempsey, North Brother Mountain and Sugarloaf Mountain.

THE RIVER WALK

You can spend an hour or a day enjoying the unique experience of our easy, peaceful river walk. Starting at the end of Ocean Street in Stuarts Point the walk follows the riverbank for 2.5kms through native bushland including paper-barks, mangroves, banksias and eucalyptus to beautiful swimming areas and fishing spots along the Macleay River to Grassy Head. *Enjoying the special places of this walk and finishing here will take 1 hour.*

Arriving at Grassy Head Reserve enjoy the view at the beach platform, walk the beach and take the walking trail up to the headland lookout for unspoilt views of the Hat Head National Park, the old entrance to the Macleay River and South West Rocks. *Enjoying the experiences of this half of the walk will also take 1 hour.*

After enjoying the views head down to Back Beach, follow the waves edge to Stuarts Point Beach and across the footbridge to Stuarts Point Picnic area and through to your starting point at Ocean Street..
