

Welcome

The Macleay Valley welcomes visitors to our beautiful area. From beachfront and creekside caravan parks to the space and tranquillity of one of our National Parks and Reserves to the picturesque hinterland, you'll find a range of camping options in the Macleay Valley Coast. During peak periods where possible book in advance to avoid disappointment as many of our camping grounds get booked out during these periods.

Please note however that camping in our car parks, roads and reserves is prohibited. Make sure you stay in a dedicated campground to ensure not only your enjoyment but also others around you.

For further information on the full range of accommodation options and all things to see and do in the Macleay Valley visit www.macleayvalleycoast.com.au or phone one of our friendly staff at the Kempsey Visitor Information Centre on **1800 642 480**.
